1st class. After his return he married Viola
Pelton and they raised 8 children and were later
divorced. In 1976 he married Annette Olsen.
They traveled west and settled in St. Anthony
where they raised three children.

Art worked various jobs throughout
his life and was a man of all trades. He
enjoyed reading the daily paper, watching old
war movies, listening to country classics and
football. His most prized possession however
was his family.
